I have suggested a slight Amendment in the draft in accordance with the tenders binding arrived at. It is note worthy that the rate of interest given for money is required when advanced immediately. The market rate of interest as the time of grant of loan may be more or less than 6½ p.c. It is desirable to keep the point open for the purpose

14/5

I don't think amendment marked A necessary. It takes away either means nothing or if takes away the effect (& utility) of the assurance. The amendment marked B is all right.

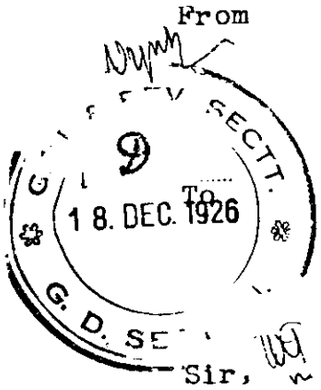
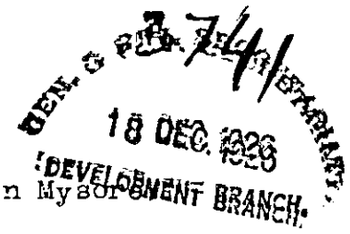
37182 DEPARTMENT OF CO-OPERATION. (1)

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

Dated Bangalore, 18th December *1926.*

~~Reference:—~~





From

K.H. Ramayya, Esq., B.A. Bar-at-Law.,
Registrar of Co-operative Societies in Mysore,
Bangalore.

To

C. Ranganatha Rao Sahib, Esq., B.A. B.L.,
Secretary to Government, Development Departments,
Bangalore.

Sir,

In forwarding, herewith, a copy of the resolution passed at the 13th Mysore Provincial Co-operative Conference held in Mysore during October last in the matter of granting certain concessions to the Mysore Provincial Co-operative Bank, Ltd., (the Apex Bank), I have the honor to state that the Bank has been making rapid progress under the able guidance of its distinguished President, Rajakaryaprasakta Rao Bahadur Mr. M. Shama Rao, M.A., and has financed a number of primary co-operative Societies in the State. A copy of the report on the working of the Bank for 25-26 is, herewith, enclosed for the information of Government. Government have directed in their Order No.I.C.6492-6563/C.S.34-23-11 dated 30th March 1925 that the debts due by Co-operative Societies to the Bangalore Central Co-operative Bank, Ltd., should be transferred to the Apex Bank, and at the last Provincial Conference also it has been resolved that the debts should no longer be allowed to remain with the Central Bank. The amount of societies' debts due to the Central Bank comes to about four lakhs of rupees. For this purpose and for granting adequate and timely finance to the rural co-operative societies, I request that Government may be pleased to sanction the grant of a sum of Rs 5,00,000/- to the Apex Bank as a deposit for a period of ten years, interest being payable at 3 per cent for the first two years and at 4 per cent for the remaining period.

2. In several of the British Indian Provinces, the Imperial Bank of India, at the instance of the Government, has granted large cash-credits

to the several Apex Banks so that they may keep sufficient fluid resources for their efficient working. It is very necessary that similar concessions are granted to the Mysore Provincial Co-operative Bank also which works for the welfare of the agricultural and industrial classes of the State. I therefore request that Government may be pleased to direct the Bank of Mysore,Ltd., to sanction a cash credit of Rs. 2,00,000/- to the Apex Bank at 6 per cent interest.

3. In Madras, Bombay and other Provinces, Government have permitted Local Boards, Municipalities etc., to deposit their monies in the respective Apex Co-operative Banks. I request that Government may be pleased to direct that Local Boards, Municipalities etc., in Mysore may similarly deposit their monies in the Apex Bank. In the same way, Trust and Muzrai funds also may be permitted to be deposited in the Apex Bank.

4. With regard to the financing of House-Building Co-operative Societies, through the Apex Bank, a separate recommendation will be made in due course.

I have the honor to be,
Sir,
Your most obedient servant,

M H Ramayya

Registrar.

Copy of resolution passed at the Thirteenth Mysore Provincial Co-operative Conference held in Mysore during October last in the matter of granting certain concessions to the Mysore Provincial Co-operative Bank, Ltd. (the Apex Bank)

RESOLVED that (a) Government be requested to give to the Apex Bank a fixed deposit of 5 lakhs of rupees at a concession rate of interest for a sufficiently long period and

(b) that Government be requested to arrange for a cash-credit up to two lakhs of rupees through the Bank of Mysore

(c) that in order to facilitate and regulate the flow of capital from the Apex Bank to the primary societies, steps be taken to assess the credit worthiness of societies requiring loans wihout delay.

BANGALORE CITY

1925—26

1. The Board of Directors have much pleasure in presenting to the shareholders this Eleventh Annual Report on the working of the Bank together with the audited Balance Sheet as on the 30th June 1926 and other financial statements for the year ending 30th June 1926.

2. *Meetings.*—The Board held five meetings during the year and the average attendance was ten. The Board are extremely sorry to bring to the notice of the general body the untimely death of the two Directors, namely Messrs. M. G. Krishnasami Rao and R. Rangashamaiya. Messrs. B. Puttaiya and A. T. Setlur were taken as Directors. Mr. B. Puttaiya resigned the place of the Controller.

3. *Progress.*—Statement showing the progress of the Bank is appended.* In accordance with the principles of the Apex Bank, applications of individual members for resignation were readily accepted. While 41 individual members resigned their membership, 37 Societies got themselves affiliated. Now that the Bank has jurisdiction over the whole State, the membership of Societies is expected to increase substantially. The increase under deposits deserves notice. While the increase under deposits was Rs. 98,000 in the previous year, it is Rs. 1,35,000 during this year.

4. Mr. S. Venkatasubbaiya, Assistant Secretary, was deputed to attend the Conference of Provincial Banks in India held at Bombay in January 1926, wherein problems relating to Provincial Banks were discussed. He took advantage of this opportunity to visit the Bombay Provincial Co-operative Bank, the Bombay Central Co-operative Institute and the Poona Central Co-operative Bank, and to study their working.

"The Indian Provincial Co-operative Banks' Association". Madras is the Headquarters of the Association for the present. At the invitation of this Association the Provincial Bank expressed willingness to join the Association and this Bank has been given the privilege of one of its members sitting on the Standing Committee of the Association.

5. *Rate of Interest.*—As the tightness of the money market continued throughout the year, the Board could not consider the question of reducing the rate of interest on loans. As Joint Stock Banks have reduced the rates of interest on deposits owing to the changed conditions of the money market, the question of reducing the rate of interest on loans and deposits is engaging attention. This has to be done with proper care and caution.

6. *Recoveries of Loans.*—Of the sum of Rs. 5,26,574 due on 1st July 1925, a sum of Rs. 1,34,635 was overdue, and the demand for the year amounted to Rs. 1,27,893 of which Rs. 85,550 was recovered and extension of time was granted in 9 cases involving a demand of Rs. 14,994. Though the amount of recoveries was Rs. 1,01,826 in the previous year and Rs. 85,550 during the year under report, recoveries have been better in the latter year as Rs. 40,060 was received during 1924-25 by adjustment of accounts on fresh bonds for longer periods.

7. *Applications for loans.*—At the beginning of the year 2 applications for loans amounting to Rs. 5,500 were pending. 48 applications amounting to Rs. 2,65,385 were received during the year. Loans amounting to Rs. 2,20,610 were sanctioned to 40 Societies. In two cases, loans amounting to Rs. 3,850 had to be declined. At the end of the year, 8 applications amounting to Rs. 46,425 were pending. Loans disbursed during the year amounted to Rs. 1,51,800. The Bank was able to finance a large number of Societies chiefly through the help of the Registrar of Co-operative Societies in Mysore.

Mention was made in the last year's report that the Bangalore City Traders' Co-operative Society was able to render some help to its members from the cash credit of Rs. 2,000 obtained from this Bank. The previous belief that these small traders were being exploited by usurious money-lenders has been confirmed as the figures will show. The limit of cash credit to the Society was increased to Rs. 20,000 during the year. On the 30th June 26, the Society had a membership of 523 and a paid-up Share Capital of Rs. 10,382. It issued loans to members to the extent of Rs. 1,08,410. Considering the high rates of

interest these members had to pay to the money-lenders for getting the same amount of loan, it may be safely said that they have saved Rs. 28,000 to 30,000 in interest. Traders have been appreciating the benefits of the Society.

8. *Net Profits.*—The net profits for the year 1925-26 amounted to Rs. 20,782-5-0 which the Board of Directors recommend to distribute as follows.—

	Rs.	A.	P.
Reserve Fund	5,220	10	0
Dividends at 7½% on Preference Shares	3,816	4	0
Dividends at 6¼% on Ordinary Shares	5,770	12	0
Bonus to Staff	473	12	0
Rebate Fund	300	0	0
Charity Fund	750	0	0
Balance to be carried forward ...	4,450	15	0
Total Rs. ...	20,782	5	0

N.B.—Dividend warrants will be issued in respect of fully paid-up shares only. Dividends due on partly paid-up shares will be added on to the share amounts concerned.

9. *Rebate Fund.*—The following Societies which have been regular in their repayments during the year may be given rebate on interest at one per cent :—

	Rs.	A.	P.
Haldodderi Co-operative Society, Sira Taluk ...	44	0	0
Vasthara Co-operative Society, Chickmagalur Taluk	35	0	0

Report on the Audit of Accounts of the Mysore Provincial Co-operative Bank, Ltd., Bangalore City, for the year ending 30th June 1926.

1. Balances of loans and cash credits due from societies are being verified with the accounts maintained by those societies whenever possible and the cases in which they are yet to be verified are few.

2. The investments, both temporary and permanent, have been taken at face value for purposes of the Balance Sheet and in my opinion such a valuation is fair considering their present market value and the fluctuation fund created as per Balance Sheet.

3. My thanks are due to the Assistant Secretary and the Staff for the help they rendered to me in furnishing readily and punctually records for the purposes of audit.

S i r,

In forwarding herewith a copy of an extract from a resolution passed at the 13th Mysore Provincial Co-operative Conference held at Mysore during October 1926 in the matter of granting certain concessions to the Mysore Provincial Co-operative (Apex) Bank, Ltd., Bangalore City, I am directed to state that in several of the British Indian Provinces, the Imperial Bank of India has, at the instance of the Govt. granted large cash credits to the several Apex Banks so that they may keep sufficient fluid resources for their efficient working and that the Registrar of Co-operative Societies in Mysore has recommended that a similar concession may be given to the Apex Bank in the State.

Govt. would be glad if the Mysore Bank could find their way to give the proposed accommodation to the Apex Bank.- If the Mysore Bank are agreeable to the suggestion, I am to enquire at what rate of interest and on what terms of security they are prepared to allow cash credit to the Apex Bank.

Dear Sir,

I am in receipt of your letter of the 8th instant forwarding copy of an extract from a resolution passed at the 13th Mysore Provincial Co-operative Conference held at Mysore during October 1926 in the matter of granting certain concessions to the Mysore Provincial Co-operative (Apex) Bank, Ltd., Bangalore City.

Presumably the necessity for the accommodation of Rs.2 lakhs by way of cash credit account to the Mysore Provincial Co-operative Bank, Ltd., was carefully considered by Government before expressing their desire that this Bank should give the proposed accommodation.

The Mysore Provincial Co-operative Bank has large deposits with this Bank; hence I do not understand why it should require to borrow as I presume it cannot find an outlet for its surplus funds. This information, which it is requested be treated as confidential, may not be known to Government.

Yours faithfully,

MANAGER.
